16:10	Fm joined CK again after loose YB, he met YB on way back.																												
16:11	chimps disappeared in THV, no long hear them breaking																												
in to THV and we decided to go and check the fig at																													
Bugeba/ 800 Est.																													
16:17	we have arrived at the fig, but no chimps in the tree.																												
16:30	chimps found us at the tree waiting and Fm took me																												
over PC and continued with TMF observations.
